FLAPPER FANNY SAYS:

Woman Prisoner Reiterates Her Murder Charges

GUTHrie 8TH 8TH 8TH 8TH
SAN FRANCISCO, April 27.—(UP)—Reiterating her charges of murder, Mrs. Evelyn Rosenberg said today that she will tell all she knows about the alleged "murder" of Mrs. Margaret White who, Mrs. Rosenberg says, was killed by William E. "Father" Riker.

Mrs. Rosenberg, serving a life sentence in San Yuenin as an habitual criminal, declared: "I will give the investigators from the Los Angeles district attorney's office all the details."

In an affidavit filed with the supreme court, Mrs. Rosenberg accused Riker of killing Mrs. White, his former wife, at Culver City and burying her body in quicklime. This occurred, according to the affidavit, in November, 1927.

To a pretty girl any mirror cheap or expensive, is worth looking into.

\$1,500,000 PLANT COMING Battles Expected In Congress Next Week

BOTH HOUSES TAKE RECESS OVER SUNDAY

House Ways and Means Committee in Contest Over Tariff Consideration
SENATE TO DEBATE

Farm Relief Measure Will Keep Upper House Busy For Several More Days

WASHINGTON, April 27.—(UP)—Muffled thunder emanated from the house ways and means committee room today where the tariff bill is being made ready for consideration in the house early next week. Both houses were in recess until Monday. The senate is ready for another week of oratory over the debenture plan of farm relief but in the end probably will reject this and pass a bill much like the one the house adopted.

The house committee is finishing up six weeks of work in executive session, and while its members have denounced every "leak" of the proceedings, authentic information has been obtained indicating a strenuous contest is developing over such vital rates as sugar, wool and hides.

It was reported on good authority the sugar tariff which reaches every breakfast table may be boosted from \$2.20 a hundred pounds to \$3. The report has been sufficiently authenticated to cause the Cuban ambassador Ferrer to deliver a strong speech in Philadelphia today, denouncing the proposed increase.

Wool may be boosted from 31 cents to 34 cents; corn from 16 cents to 25 cents; cotton and wool textiles considerably above their present rates; hides, bricks, cement and manganese materially increased and lumber to remain unchanged on the free list.

These provisions can and may be altered before the bill is presented to the house probably next Tuesday.

All reports indicate clearly a heavy tariff battle is in prospect. Democrats are split over the issues and have announced their anger over not being admitted to secret Republican meetings where some parts of the bill are being written. The unusual secrecy has resulted in charges that numerous deals are being made between sectional representatives, a practice known as "log rolling" where by representatives of various sections from an alliance to put over mutually beneficial rates.

Senate Republicans already have announced their hearings are to be secret although they do not expect to begin work on the bill for a month. They say they want to frame a bill which can be taken to the floor of both houses and put through virtually without amendment, in order that there will be no log-rolling on the floor.

Woman Prisoner Reiterates Her Murder Charges

GUTHrie 8TH 8TH 8TH 8TH
SAN FRANCISCO, April 27.—(UP)—Reiterating her charges of murder, Mrs. Evelyn Rosenberg said today that she will tell all she knows about the alleged "murder" of Mrs. Margaret White who, Mrs. Rosenberg says, was killed by William E. "Father" Riker.

Mrs. Rosenberg, serving a life sentence in San Yuenin as an habitual criminal, declared: "I will give the investigators from the Los Angeles district attorney's office all the details."

In an affidavit filed with the supreme court, Mrs. Rosenberg accused Riker of killing Mrs. White, his former wife, at Culver City and burying her body in quicklime. This occurred, according to the affidavit, in November, 1927.

INCREASED SALARIES ARE GIVEN TO SANTA ANA POLICE OFFICERS

All Members Will Receive Boosts of \$10

Announcement Made at Meeting of Patrolmen Friday Afternoon

A GENERAL increase in pay for members of the Santa Ana police force, and differentiation in ranks marked by further increase for ranking officers was announced at a meeting of all police at city hall yesterday afternoon. The increase, which was authorized at an executive session of the city council April 1, will be effective with the pay May 1.

The recommendations of Chief L. C. Rogers, as followed by the council in making the boost, call for \$10 more on the month for patrolmen, making the new rate from \$135 to \$145 per month, based on the length of service. All sergeants, who formerly were receiving the same pay as patrolmen, are increased to \$170 in the new schedule. One officer, Bob Elliott, is to receive \$175, the pay ranking of a captain, although he has not been officially appointed to that rank. The schedule also provides for a \$10 increase for the chief of detectives, Sid Smithwick.

No increases were provided for the motorcycle officers at this time. City Manager Knox, who was to address the meeting was unable to be present, but sent word to the members of the force that the council had made the increase in appreciation of the efficiency of the force and the interest taken in the work by the men. His message further stated that the council felt that the past record of the department justified the raise recommended by the chief.

Chief Rogers in addressing the meeting, expressed the appreciation of the department for the action of the council in rewarding their past efforts, and went on to urge the department to even better work in the future. He stressed the importance of courtesy on the part of police officers in all their dealings with the public, and read a set of rules he had prepared along this line for incorporation in the police manual which the department is planning to publish.

The rules prepared by Chief Rogers follow:

A perfect command of temper is absolutely indispensable in the proper discharge of police duty. Harsh language on the part of policemen to citizens and persons in custody is not permitted. All duties must be performed with firmness but moderation. A policeman must not allow himself to be moved or excited by any language or threats. Idle or silly remarks are unworthy of notice. Forbearance and moderation will always be appreciated by the public and police authorities. Members of the force making use of obscene, blasphemous or insulting language or swearing are to be reported to the chief of police. Police must govern themselves so as not to commit offenses, the suppression of which is imposed upon them by law.

Chief Rogers then went on to say that the best way on the part of the officers to express to the public their appreciation of recognition shown by the increases granted would be to function better than ever and urged that all officers familiarize themselves with the orders, rules and regulations proper method of making reports an adherence to police; proceeding in court and at inquests; and first aid treatment to injured persons and enforcement of general sanitary and health regulations.

The pay increase just granted to the department is the first in nearly two years, Chief Rogers said last night, and places the scale in Santa Ana where it is comparable with that in other cities of like size in the state.

AIMEE PLEASED WITH VERDICT IN HARDY CASE

However, Evangelist Makes Heated Attack on Her "Persecutors"

LOS ANGELES, April 27.—(UP)—Nothing ever made her so happy as Superior Judge Hardy's victory in his impeachment trial at Sacramento, Aimee Semple McPherson said when she arrived here from the state capitol today.

"I'm just awfully, awfully glad," the noted evangelist declared. "It isn't so bad when they pick on me, I'm accustomed to it—but when they hurt a friend of mine, that's different."

"I knew that if there ever was any justice my friend, Judge Hardy would be cleared and I felt certain that God would see that justice was done. I'm so happy."

Mrs. McPherson said that members of Angelus temple shared her feeling and that in all probability a jubilee service would be held there tomorrow.

The sad, quiet woman who cried audibly as assembly prosecutors branded her kidnapping story as an "unmitigated fabrication" and accused the elderly jurist of official misconduct and obstructing justice in defending her, was suddenly transformed last night into a defiant woman who employed every ounce of her revivalist's fervor in denunciations of her "persecutors."

Before the echo of the senate roll call acquitting the jurist of four impeachment charges had died, Mrs. McPherson had begun her attack.

The statement of Assemblymen Walter J. Little that the assembly managers, "believing that ample proof now exists of conspiracy," would be willing to turn over to the Los Angeles district attorney all their evidence against the evangelist, failed to halt Mrs. McPherson's attack.

She charged that the assembly prosecutors were "publicity seekers," that they had boasted of evidence against her which they could not substantiate and that they had made it appear that she and not Judge Hardy was on trial.

"From the time I was handed a subpoena until the day I appeared in Sacramento, many ridiculous

(Continued On Page 2)

HELP RUSHED TO TORNADO VICTIMS

ATLANTA, Ga., April 27.—(UP)—Care for the homeless and medical aid for the hundreds of injured became paramount in tornado leveled sections of eastern Georgia and northwestern South Carolina today, as the list of known dead mounted.

Virginia Aikens, 9, was the latest fatality. She died at a Stateboro, Ga., hospital today, making the known dead in Georgia 46, of whom 24 are Negroes. Four deaths occurred in South Carolina.

Ten business establishments valued at \$350,000 were in flames, several persons were unaccounted for and the fire threatened to spread to other buildings.

Firemen from St. Cloud, Minn., were summoned just before the telephone exchange ignited and communication lines disrupted.

FISTIC BATTLE RESULTS OVER IMPEACHMENT

Brother of Louisiana Governor Attacks Solon and Bites Neck

BATON ROUGE, La., April 27.—(UP)—The impeachment trial of Governor Huey P. Long entered its second stage today, the house having completed its indictment work and adjourned and the senate convening to sit as a high court of impeachment.

Four general charges, containing 15 specific counts, were transmitted to the senate by the house late yesterday after a session fraught with outbreaks of bitter hatred and intense excitement.

Earl Long, a younger brother of the governor, and representative Harney Bogan, one of the impeachment leaders, engaged in a fist fight in the corridor just outside the house chamber as a climax to a hectic day in the house.

After friends had parted them, Bogan returned to the house and exhibited his bleeding face and neck. He told members young Long had called him an epithet and that he struck Long with his fists.

A rough and tumble fight, that raged furiously for a few moments, followed in which Long was alleged to have stuck his fingers in the representative's mouth and attempted to split his lips and also to have sunk his teeth in his neck.

Representative Bogan was taken to a physician and given an injection of anti-lockjaw serum after the fight, and young Long was taken to the governor's chambers where he declined to make a statement.

2 MILLION DOLLAR BEQUESTS DWINDLE

NEW YORK, April 27.—(UP)—Bequest of \$1,000,000 each to Stanford university and the All University club, New York, left by Dr. George Alfred Lawrence, who died last December, may develop only a small portion of that amount, a foreclosure suit against the estate here indicated.

The action making the two beneficiaries parties to the suit will be heard in the supreme court here Monday. The action was brought by the New York Holding Company, Inc., as the executor of the estate when the company could not collect sufficient cash from the estate to pay \$2200 interest on a mortgage.

MINNESOTA TOWN SWEEP BY FLAMES

LITTLE FALLS, Minn., April 27.—(UP)—A fire believed to have started in a central heating plant swept through the business section of Little Falls today.

Two miners killed when hoist breaks

TWO DEAD AND PROPERTY LOSS HEAVY IN SNOW

Cattle Piled in Snowdrifts In Wyoming After Two Days of Storm

CHEYENNE, Wyo., April 27.—(UP)—Through the towering snowdrifts of blizzard-swept Wyoming, weary relief crews returned today with tales of the Spartan courage of youth and the hardships and material toll of two days of storms.

A highway crew told of a woman's rescue of 10-year-old Orville Green, who was found near collapse after fighting blindly through the sleet and snow. The boy was sighted by Mrs. M. F. Cross as the wind blew open the door of her home. He collapsed before she carried him into her home. Only his unflinching courage kept him from certain death in the snowdrifts.

The relief crews recalled the courage of many children who were trapped with their parents along the highways. Forty-three cars carrying children were freed after several hours imprisonment. A Weatherwax was imprisoned in his truck for 40 hours without food or water before highway crews found him. Five young men, forced to abandon their automobiles, struggled over several miles of snow drifts to reach shelter.

Partial re-establishment of communication revealed a toll of two dead and heavy damage to stock and telegraph and telephone lines. J. H. Reed, Glendo, perished on a highway near Chugwater, while fighting his way to shelter at the height of the storm Wednesday. The body of George Ross, a sheep herder, was found in a snow bank near his tent outside Thermopolis.

Ranch hands reported carcasses of cattle piled high in the snow and creeks at the Wyoming Hereford ranch, southeast of here. They said melting snows threatened that section with serious flood damage.

MCCOY SLATED FOR PHILIPPINE POST

WASHINGTON, April 27.—(UP)—President Hoover has virtually decided to appoint Brigadier General Frank R. McCoy to be governor general of the Philippine islands, it was learned in official circles today.

The appointment probably will not be announced until the Bolivian-Paraguay arbitration commission, of which McCoy is American member, has completed its work. This task may require several months more. Meanwhile it has been learned from excellent authority that McCoy is foremost among all the candidates considered by President Hoover for the post.

1 KILLED, 5 HURT IN S. F. AUTO CRASH

SALINAS, April 27.—(UP)—William Mendietta, 40, San Francisco, was killed, and five other San Francisco residents were injured near here early today, when Mendietta's automobile collided with one driven by J. F. Daugherty, 40.

Mrs. Sarah Wilson, 30, was under treatment in a hospital for serious bruises and cuts. Daugherty and Russell Kerrick, 27, were held in the county jail here for investigation.

Mrs. Patricia Brenner, 22, and Mrs. Louise Gordon, 30, were not detained. They were only slightly bruised in the crash.

Daylight Time Saving Starts In East Sunday

Clocks and Watches Will Be Put Forward One Hour in Morning

NEW YORK, April 27.—(UP)—The annual period of daylight saving will begin at 2 a. m. tomorrow.

An estimate shows that approximately one quarter of the inhabitants of the United States will be affected by the change. Clocks and watches will be put forward one hour, remaining on the advance schedule until Sept. 29.

The metropolitan area, 185 other cities and towns in New York state, most of New Jersey and parts of New England will make the change. Chicago and eight other cities in Illinois, and several cities in Michigan, are affected.

Massachusetts will observe the daylight saving time, Connecticut has a law forbidding use of any but eastern standard time on public clocks, but Hartford, New Haven and other cities, particularly the main railroad points, have adopted the new schedule. Philadelphia will be on daylight time, as well as two cities in Vermont, Nashua, N. J., and some points in Rhode Island.

The Wall street district will adhere to daylight time. The Twentieth Century Limited and the Broadway Limited, crack Chicago trains, will operate on the advanced time basis. Other railroads will draft their time tables to conform to conditions in the territories served.

WIFE OF ANOTHER CAN'T GET ALIMONY

CHICAGO, April 27.—(UP)—The question of whether a divorced man should pay alimony to his former wife after she remarried, probably will be tested in the Illinois supreme court after a ruling by Judge William M. Gonnell, relieving Carl Johnson of giving \$25 a week of his salary to Mrs. Margaret Johnson Mattel.

Judge Gonnell, branding Johnson's payments as "immoral," made his ruling over the protest of Mrs. Mattel, who admitted her present husband makes \$50 a week. Johnson has remarried since his divorce and testified that the payment of \$25 a week was a heavy drain on his resources.

P. E. RATE HEARING SLATED FOR MAY 21

LOS ANGELES, April 27.—(UP)—The state railroad commission's hearing on the application of the Pacific Electric company for permission to raise its rates will be continued here May 21, it was announced today by Commissioner Leon Whitsett.

F. E. Johnson, of the Northwest Chamber of Commerce, is expected to be the first complainant called to the stand when the hearing convenes.

He is expected to explain charges he made shortly before adjournment yesterday that failure of the transportation company to realize fair gains on present rates was indicative of inefficiency in management.

Committee Unable To Reach Decision On U. S. Secretary

WASHINGTON, April 27.—(UP)—The senate judiciary committee was unable to reach a decision today on the question of whether Secretary of Treasury Mellon is holding office in violation of law because of his stockholdings in many large industrial enterprises.

The committee debated for two hours and a half on an opinion submitted by Chairman Norris, Nebraska, holding Mellon was violating a law which provides the secretary of treasury shall not be interested directly or indirectly in carrying on the business of trade or commerce. There was such a sharp division of opinion that the vote was postponed until Monday.

BIG FACTORY WILL LOCATE NEAR CITY

Food Manufacturing Firm Will Employ 200 Persons at Start of Work

PLANS ARE COMPLETED To Manufacture Corn Sugar and Syrup Among Other Staple Products

A \$1,500,000 food plant employing 200 men from the start, with more than double that number within a year after operations are started, is projected for a site about six miles west of Santa Ana, it was revealed today by Edward Stark, general manager of the Anaheim Sugar company, owner of a huge acreage in the district.

Stark revealed that Arthur Warner, formerly of New York but now of Beverly Hills, had left last night for the east to complete financial arrangements for the big enterprise.

Stark declared that it is hoped to commence actual building operations by September, with the possibility that the plant would be in operation the early part of 1930.

The plant probably will be situated on a section of the Anaheim Sugar company's property, although this is not definitely settled. A tract of 20 acres belonging to the company and located in the Bolsa-Midway City district is under consideration, Stark said.

The proposed plant will use about 5000 bushels of sweet corn every day and other products in proportion. Stark declared. Among the products contemplated are corn sugar, syrup, cattle feed and corn meal.

Plans for the big plant have been completed. Actual building operations await the definite selection of a site and conclusion of financial negotiations.

Stark, Warner and others interested in the project have made inspections in the district on several occasions. Stark expressed the opinion that the project will go through as contemplated.

FORMER HEAD OF PAPER CHAIN DIES

AKRON, O., April 27.—(UP)—Willis W. Thornton, former president of the Scripps-McRae league and later of the Scripps-Howard newspapers, died last night at his home here. He suffered from hardening of the arteries during the past year and has been confined to his bed several weeks.

Thornton retired in 1925 from a life of newspaper work that had been full of action. He had served many years in the advertising department of the Scripps-Howard papers and trained many men who now hold high positions in the business office of the papers.

Thornton is survived by his widow, Mrs. Emma A. Thornton, and one son, Willis, formerly a member of the Washington News staff.

Guinan Club Furniture In Warehouse

NEW YORK, April 27.—(UP)—Texas Guinan's cozy and costly club, intime at the Hotel Harding was vacated today and its garish furnishings, reposed in a Twenty-sixth street warehouse. A city marshal, armed with an eviction order, visited the night club yesterday and his helpers carted all of Tex's equipment into Fifty-fourth street. The eviction was the latest step in Mrs. Guinan's war with city authorities over closing hours.

AMEE PLEASED WITH VERDICT IN HARDY CASE

(Continued from Page 1)

and sensational statements were issued by the board of managers, forecasting the evidence they expected to produce against me and the terrible things that would befall me when I went on the witness stand," the evangelist said.

"Apparently the purpose of these absurd, unfounded statements was to obtain some free advertising. After appearing in Sacramento at great expense and inconvenience I was held there for ten days, while the publicity seekers daily issued reams of propaganda concerning me. I was not permitted while on the witness stand to refute the fabricated stories which the prosecution had so gladly prepared and used. It is my frank opinion that the managers never intended to use me as a witness and that keeping me under subpoena during the entire trial was a publicity stunt on their part, unworthy of men in whom the people of the state of California reposed the power of dispensing justice.

"Through three years of grueling persecution my faith in God and justice never has been shaken. As for the silly stories I can only revert to my former statements and say that such stories are unworthy of an answer.

"People ask me constantly how I have kept up through the barrage of sensational stories concerning me. I have been able to do so because of my innocence, and my faith in the work of the master, and I have been strengthened through it all through confidence and loyalty of my 200,000 members and followers."

"The closest vote on the impeachment vote on the charge that mental charges was the 21 to 18 against Judge Hardy obstructed justice during the investigation of Mrs. McPherson's kidnapping story by directing attorneys and hiring detectives. The other counts cited Judge Hardy's acceptance of a \$2500 check from Angelus temple for alleged legal services, alleged intimidating a newspaperman who claimed to have identified the evangelist as the companion of Kenneth G. Ormiston at Carmel-By-the-Sea, and the charge that the jurist rendered legal services to Angelus temple while serving on the superior court bench.

Fiancee Of Lindy In Texas City

SAN ANTONIO, Tex., April 27.—(UP)—Miss Anne Morrow, fiancee of Col. Charles A. Lindbergh, with her mother and sister, Elizabeth, arrived here on their special car from the City of Mexico today.

The Morrows closed their doors to photographers and reporters and remained in their car in the railroad yards until 9:30 o'clock, when their train pulled out for Houston.

They were enroute to an unannounced destination in the car.

500 EXPECTED AT 40 AND 8 BENEFIT DANCE

Interest of ex-service men of the county today is centering in the dance which will be given tonight in the Orange American Legion clubhouse by the 40 and 8 of Orange county for the benefit of the Santa Ana Bugle and Drum corps. It is expected that 500 will be in attendance at the affair.

According to R. H. McCalla, chief de gare, the Santa Ana Bugle and Drum corps is of more than as the call of any club or organization importance as it is available in the county. There is scarcely a community in the county which has not called on the corps during the last year, McCalla said.

The drum corps was formed two years ago and has a membership of 25. Members hope to increase this number to 45 by the time of the state American Legion convention in August. In the expectation of this increase, the Orange county volunteers, 40 and 8, has purchased equipment costing \$600. Funds from the dance will be used to pay for the equipment.

Bobbie Davis is the drum major of the corps and Hunter Leach the chairman. Members of the corps will appear tonight in uniform.

Music for the dance will be furnished by Traveler's orchestra and dancing will begin at 9 o'clock.

Local Briefs

Saturday, May 4, has been designated as the date for the annual Arkansas picnic, when former residents of the Apple Blossom state will gather in Sycamore Grove park, Los Angeles, to enjoy a picnic dinner at noon, hunt up their old neighbors at the different county registers and hear the afternoon program. A. M. Blount, president of the Arkansas society, will conduct the program of short talks and music.

POLY EDITORS AT PRESS CONVENTION

Representatives of the Santa Ana high school Generator attended the spring convention of Southern California High School Press association, yesterday, in Metropolitan high school, Los Angeles.

The convention opened at 3 o'clock with registration of the 300 delegates.

Marc N. Goodnow, journalism instructor of the University of Southern California, presented the awards to the winners in the four divisions. Although Santa Ana received no award, it had the second highest rating of any paper, exceeded only by Roosevelt high school, of Los Angeles. Thirty-six papers were entered in the contest.

Those attending from the Generator were John Dunlap, editor; Richard Robbins, news editor, and Alfred Loerch.

rites on Monday FOR N. I. RICE, 70

Funeral services for N. I. Rice, 70, who died yesterday morning, were announced this morning for 10 a. m. Monday, in the funeral parlors of Smith and Tutill, with the Rev. Harry E. Owings, of the First Baptist church, officiating.

Mr. Rice, who formerly was a resident of Sturgis, Mich., had lived in Orange county for the last 27 years and in Santa Ana since 1921.

Surviving Mr. Rice are his wife, Effie J. Rice; two brothers, Rosolia and James, of Michigan; and two sisters, Mrs. Amy Glasgow, of Indiana, and Mrs. Al Goode, of Washington.

Mr. Rice was a member of the First Baptist church.

The longest flight reported for a banded bird was made by a fledgling Arctic tern, which flew from Turnevik Bay, Labrador to Marquette, 15 miles southwest of Port Shephstone, Natal, South Africa.

SENIORS SCORE GREAT SUCCESS IN ANNUAL PLAY

Greeted by a capacity house in the high school auditorium, last night, the 1929 senior class play, "Lilies of the Field," scored a distinct triumph in acting, staging and direction for the high school Thespians.

A cast of 12, headed by Wendell Jordan, who, in the role of "The Rev. John Head," a commonplace minister with twin daughters and an ambitious wife, to saying nothing of a mother-in-law who started all the trouble, scored the greatest hit of the evening, interpreted the difficult characters in the production.

Francis Flinn as "Bryan Ropes," better known to last night's audiences as "The Englishman with whiskers," provided most of the laughs with his accent and monologue.

Mary Clafonli, in the role of "Elizabeth Head," the 1929 model daughter who stepped back to 1880 to win her man, gained the sympathy of the audience with her first appearance in the hoop-skirts of a bygone day. Miss Clafonli was particularly effective in a dramatic scene in the second act.

"Catherine Head," the other twin, was effectively played by Dorothy Maroon, in spite of fact that she was required to remain in 1929 garb throughout the play.

Betty Maloney, as "Ann Head," the girls' mother, was well cast in a rather difficult role. "Mrs. Rooke-Walter," the girls' grandmother, proved a most effective character in the person of Ada Marie Hendrickson.

Eugene Olsen, as "Barnaby Haddon," was well cast. Olsen was best in his love scenes with Miss Clafonli.

Marjorie Adams and Fritzie Stroh, as London society figures, added much to the enjoyment of the play, while Enid Bowles, Marion Parsons and David McGee were good in minor roles.

Much credit must go to Ernest Crozier Phillips, director of the play, the high school orchestra, which furnished music during the performance, and to members of the stage crew, who were responsible for the settings.

\$10,635 Damages Asked As Result Of Crash Death

Damages in the amount of \$10,635, as a result of the death on March 26, of the late Henry O. Cook in an automobile accident, in Orange, were sought in a lawsuit filed today by Jennie E. Cook, widow, and Libbie L. Hollenbeck, Helen Crane, Clara Free and William C. Cook, children of the deceased.

The complaint named Herbert McCarthy, Fred Intorf and Elizabeth Intorf as defendants.

Mrs. Intorf and McCarthy were accused of negligence in the complaint, which stated that their cars collided at the intersection of Chapman avenue and Orange street, Orange, on March 26, and that Cook, who was walking across the street, was struck by the Intorf machine. He was thrown to the pavement and dragged 30 feet under the automobile, the complaint stated. His death followed on the next day.

John Martell, Santa Ana attorney, represents the plaintiffs.

DANO BEATS LA MORTE
SAN FRANCISCO, April 27.—Pablo Dano received an unpopular decision last night over Willie La Morte, New York flyweight, in their 10-rounder at Dreamland.

Deaths

A WORD OF COMFORT

No effort toward developing strength of character in the midst of adversity is of evanescent value; it is a permanent acquisition; its lasts beyond the grave.

Keep bravely on, no matter how often you seem to falter or to fail. What you are becoming is fitting you to joyously meet your beloved one when your earthly tasks are behind you, in addition to bringing joy now to those who already live and serve in the more intimate presence of God.

Today seems hard, but if you face it bravely you shall come through triumphantly.

MARES—In Santa Ana, April 26, Joe Mares, aged 37 years. Services will be held from the Winbigler Funeral Home, Monday, April 29, at 10 a. m. with the Rev. W. S. Buchanan of the First Christian church officiating. Interment will be made in the Santa Ana Cemetery where services will be given by the Jack Fisher chapter No. 23 of the D.A.V.

TRUE—In Santa Ana, April 26, 1929, T. B. True, aged 64 years. Arrangements are being made by Smith and Tuttle to forward the body today to Springfield, Mass., where funeral services will be held. Mr. True and wife and niece, Miss Sue Dumbelton, were guests at the home of Mr. and Mrs. E. S. Gilbert of 420 So. Main St.

HEIL—At El Centro, April 25, 1929, Clinton Heil, aged 40 years. Interment was made today in Fairhaven Cemetery under direction of Smith and Tuttle. Mr. Heil was a nephew of Mrs. E. S. Heil of 435 So. Birch St.

O'DONNELL—April 25, 1929, Mrs. Gertrude O'Donnell. Notice of funeral will be given later by Smith and Tuttle.

POTTER—In Orange, April 26, Mrs. Minnie Olive Potter, age 67, passed away in the family residence, 314 East Palmyra street. Services will be held at 10 a. m. Monday morning in the C. W. Coffey Funeral Chapel, Orange, with the Rev. W. B. Cole, pastor of the Orange First Methodist church, officiating. Interment will be in the Fairhaven cemetery. She is survived by her husband, N. U. Potter; three sons, Claude E. and Raymond J. of Orange, and Glen of Marysville, and three grandchildren. Mrs. Potter had been a resident of Orange for the last 27 years and was a member of the Methodist church, the Eastern Star, the Royal Neighbors and the American Legion auxiliary.

HERE'S WHY YOU SHOULD ATTEND THIS MODERN BUSINESS COLLEGE

We are handily located, close to the business section. Our study rooms are clean, large and airy—ideal for study and recitation periods. We teach our students ALL business subjects, and compare our curriculum with that of metropolitan schools. We teach the use of ALL modern business equipment, and have actual machines to work with. Our teachers are the very best obtainable—each is a well trained and experienced teacher. We keep in touch with business men who want our graduates, and bend every effort to place these graduates in permanent, responsible positions.

WHAT MORE CAN YOU ASK THAN THIS?

EVANGELICALS WILL OBSERVE FOUNDERS' DAY

Telling the story of a religious faith which has withstood both skeptical attack and the test of practical application, the Rev. E. W. Matz, pastor of the First Evangelical church, in Santa Ana, today announced that the denomination's Founders' day would be observed in the church here tomorrow.

The Rev. Mr. Matz told how the church was established. A small mission was started here by the Rev. R. Stahl, in 1880, he explained. The church was organized following a service held in the home of H. W. Rohrs, who still is a leading member of the church, and the Rev. F. W. Vogeline, then living in San Francisco, preached the first sermon. F. Schroeder acted as secretary.

Among those who were present at that meeting and who became the charter members of the church, the pastor said, were Peter Schield, Barbara Schield, Anna Schield, Emma Schield, H. W. Rohrs, Anna Rohrs, F. Holzgrafe, F. Schroeder, H. Schroeder and D. Grau. Peter Schield, president, Holzgrafe, secretary, and Rohrs, treasurer, were elected to the board of trustees.

Two lots on the corner of Fifth and Rose street were purchased for a church site and in 1882 the first Evangelical church building was erected in Santa Ana. In 1905 the property was sold and a new church was constructed on the present site at North Main and Tenth streets. The present church building was dedicated during the Rev. H. C. Cordes' ministry in its 47th year of growth.

Illustrating the activity of the church, the Rev. Mr. Matz said: "During the last year 28 new members were received into the church fellowship and about 12,500 contributed to all the purposes of the church work."

Local Briefs

Jerry Tannenbaum, representing Santa Ana in the district eliminations in the National Oratorical contest, was awarded third place last night in San Diego. It was learned today, Miss Marguerite Forsythe, of Long Beach polytechnic, won the first award of \$25 and the honor of going to Los Angeles, on May 3, for the Southern California finals. Lytton Robinson, of San Diego was second.

Officers and directors of the building and loan associations, of Orange county met in the Santa Ana cafe for their monthly dinner and discussion last night. There were 43 present. After the dinner, Louis Ardoun addressed the gathering on the subject of appraising. Ardoun is an appraiser for one of the largest building and loan associations in Los Angeles. The next meeting will be held in Orange May 23.

Rollie Ryel, charged with burglary of a billiard parlor, in Olive, owned by A. J. Lee, was arraigned before Justice Kenneth Morrison this morning. His examination was set for 9 a. m. May 1, and bail at \$3000. Ryel was returned to jail pending the examination.

SPEICH IS DEALER FOR PIERCE-ARROW

Vern Speich, well known Orange county aviation enthusiast and automobile dealer, has been appointed county distributor for the Pierce-Arrow line of automobiles. It was announced today.

Speich will have his headquarters at 100 South Main street, the home of the Southwest Marmon Motors. Speich is financially interested in this agency but will operate the Pierce-Arrow line entirely separate from the Marmon and Roosevelt products.

A five-passenger sedan has been placed on exhibition in the showrooms by Speich. The Santa Ana man was appointed by a factory representative in Los Angeles. This marks the first time in several years that the Pierce-Arrow has been represented here.

CHURCH SPEAKER

The Rev. O. J. Neese, president of Pasadena college, who will address the closing session of the young people's convention of the Nazarene tomorrow night. The Rev. Mr. Neese is considering Santa Ana as the possible location for a new church college.

**Option Taken On Large Tract Near Glass Firm Site**

A two-day sale contract on the 90-acre Otto McClure ranch adjoining the Pittsburgh Plate Glass company's property, was revealed today by Mrs. McClure.

Mrs. McClure declined to reveal the names of the persons involved but intimated that the signers were really agents who hoped to sell the property to a client.

The contract was in the nature of an option and Mrs. McClure did not know whether the deal would go through or not.

Rumors that most of the property in the vicinity of the proposed plant had been sold or taken under option were not borne out by statements of property owners in the district. Among those owning land in the district who denied having sold outright or given option were J. T. Raitt, A. E. Kohler, Ed Walker, E. G. Warner, Jay Brooks, S. Nitta and Mrs. May Jorgensen.

NAB MAN WANTED SINCE MAY, 1928

That state traffic officers are in earnest in their campaign to impress motorists with the necessity of appearing after receiving tickets for traffic violations was shown yesterday, when Officers Yoder and Adams arrested Felix McNeese on a bench warrant, issued in May, 1928, from Marin county, charged with failure to appear on a charge of cutting in. McNeese was arrested by Adams and Yoder several weeks ago for Riverside traffic officers and the offender had not been out of the Riverside jail long when he was apprehended by the officers for Marin county authorities.

REV. NEESE TO BE SPEAKER AT CHURCH MEET

The Rev. O. J. Neese, president of Pasadena college, will be the principal speaker at the closing session of the young people's convention, in the Church of the Nazarene tomorrow night. The convention has been in session since Thursday and the three services to be held in the church tomorrow are expected to be highly inspirational.

The Rev. Mr. Neese will bring with him a male quartet, composed of Harold Ransom, Westlake Purkiser, Carl Smith and J. Earl McIntyre, which will appear in special musical selections. The minister is well known in Santa Ana as the head of a group of men considering this city as the location for a new church college.

A picnic was to be held in Irvine park today by ministers of Nazarene churches in Orange county and Long Beach, at which the Rev. and Mrs. Neese, Mrs. H. Orton Wiley and the Rev. D. Shelby Corlett were to be honored guests.

The Rev. Mr. Corlett, general secretary of young people's work in the Nazarene church and editor of the church journal, will conclude his part in the convention services here on the morning and afternoon programs tomorrow.

WOMAN ASKING DIVORCE SAYS HUSBAND CRUEL

In a divorce complaint filed today, Ina Dunham, Fullerton, stated that, on his return home the day following an all-night absence, Guy Dunham told her he had been out with other women and that if she didn't like it she could look in his pocket.

She did look, Mrs. Dunham's complaint said, and she found a number of articles which her husband told her had been given to him by other women.

The train of events which led up to their separation on April 18, the complaint indicated, began on April 14, when Mrs. Dunham recalled taking a sedative, being troubled by inability to sleep. According to the complaint, Dunham forced her to take another dose so large that she became sick and the efforts of two doctors were required to alleviate her condition.

On April 18, Dunham forcibly ejected her from their home and, on the following day, when she returned to take away her personal belongings, he threw her violently into a corner and started to attack her with a chair, the complaint stated. Only the intervention of her father and brother restrained Dunham from his alleged acts, the complaint stated.

Mrs. Dunham asserted that her husband had conveyed their community property, at 126 North Harvard street, to O. W. Little in order to defraud her of her marital rights. She asked that the conveyance be declared fraudulent and that an equitable division of the property be made. The complaint filed through Nelson and Burns, Santa Ana attorneys, said the couple married in 1919.

DEPARTMENT OF INDUSTRIAL RESEARCH IS PROPOSED FOR S. A. CHAMBER OF COMMERCE

A research department in the Santa Ana Chamber of Commerce, superior to any similar project in Southern California and designed to gather scientifically data setting forth the advantages of this city as an industrial community was visioned today, following a meeting of the industrial committee of the chamber at 4 p. m., yesterday.

The department would conduct four separate surveys and the committee would be divided accordingly, it was revealed yesterday. The first three phases of the studies would relate to the cotton, metal and lumber industries. The fourth would have to do with cost figures affecting industry, including freight rates and similar data.

A. N. Zerman, chairman of the committee, may make selections of sub-committees to carry on work in the four divisions of the program on Monday or Tuesday, according to George Raymer, secretary of the chamber, who outlined the project, Zerman being unable to attend the session.

The final work of the department will be assembling of the data secured and making it available to industry, with a view to showing the industrial advantages of this city. Findings will not be revealed or published until after the data has been placed in final form, Raymer said.

At the meeting, yesterday, were Raymer, J. C. Wallace, George Wells, Richard Emison, William H. Adams and Roscoe Wilson.

Suit Result Of Tangle Between Horse And Auto

Its a brave horse that will dispute road supremacy of automobiles in 1929, but occasionally one is found.

The most recent discovery was made by Nettie Eldridge, who brought suit for \$15,000 damages against J. E. Brown and Mary Jones today as a result of a fracas between her automobile and a horse on the night of March 11.

SEVEN DIVORCE DECREES GIVEN BY ONE COURT

Seven interlocutory decrees of divorce had been granted today in Superior Judge James L. Allen's court as a result of proceedings carried out yesterday.

Ethel Rumbaugh was granted an interlocutory decree from Dave Rumbaugh on grounds of desertion and failure to provide. As-

neth Coleman was granted a decree from John W. Coleman on the same grounds.

Extreme cruelty and failure to provide were charged against Frank Munoz by Clara Munoz, who was granted an interlocutory decree. Geraldine Wallace was granted separation from Randall Wallace on charges of cruelty and alleged association with other women.

A complaint charging failure to provide resulted in a decree being granted to Helen V. McConnell from George L. McConnell. Jessie C. Montoya was granted a decree from Patricio Montoya on grounds of desertion and failure to provide. Richard O. Smith was granted a decree from Mary E. Smith on grounds of desertion.

INDEPENDENCE

For Those Who Read This Message

We have a high class proposition which will stand the closest scrutiny as to its merits.

A small investment, we know, will make possible an independence far in excess of ten times the ordinary investment.

Do not overlook this opportunity—Write, phone or wire for information.

OPPOSE BILL TO CHANGE SCHOOL TAXING POWER

Senate bill No. 342, which would give county board of supervisors power to fix tax rates for school districts, reversing the situation whereby the rates now are established by boards of education, met with disapproval last night at an adjourned session of the Santa Ana school body. The group voted

to communicate its position to Assemblyman Edward Craig, of Brea, and Senator Nelson T. Edwards, of Orange.

Under the present law the school boards determine the tax rate necessary in school districts and these rates are set by the boards of supervisors, according to law. School boards, it was pointed out last night, must keep within the legal tax limits required by law in deciding what rates to place before the supervisors.

At last night's session members of the citizen's advisory committee met with the board to consider preliminary building program needs in the elementary school system. Discussion revealed a general outline of the situation and centered chiefly on the problem of the Grand Avenue school, which must be vacated at the end of the present term. No definite building scheme was evolved and the board decided to meet again with the committee next Tuesday for further consideration of the matter.

A plan of repairing the brick boiler house at the high school, constructed under the supervision of Holmes and Sanborn, Los Angeles engineers, was approved by the board. The foundation settled, allowing a crack to appear at one corner. The plan, suggested by Holmes and approved by J. Simon Fluor, Santa Ana contractor and builder, is understood to be virtually what the board has been asking for. It provides for rebuilding foundations and repairing of cracked portions of the wall.

WILL PARTICIPATE IN CHURCH PROGRAM

Shown below, from left to right, are Delmar Brown, Miss Ruby Belcher, Miss Agnes Steward and George Tobias, who will be heard tomorrow night in the First Methodist church in a National Boys' week program. The service also will feature music by boy musicians. The program includes organ selections by Halstead McCormac and DeEstine Finn, with the Motley brothers giving piano and cornet numbers. The boys' chorus of the Julia Lathrop junior high school will sing at the service, which will commence at 7:30 p. m. James H. Hughes, minister of education and assistant pastor of the church, will speak on "The Younger Generation."

ENTHUSIASM IN TOURNAMENT OF PLAYS INCREASES; STAGE FINAL PRESENTATIONS TONIGHT

That enthusiasm with which the opening program of the Southern California Tournament of One-Act Plays was greeted Thursday night, in the Yost Spurgeon theater, was again manifested last night, when Hollywood, Riverside, Sierra Madre and Beverly Hills Community Players continued the three nights' program with their varied and delightful offerings.

This enthusiasm seems to wax warmer as the contest continues and the crowds increase until tonight's final group of plays is expected to attract the largest and most appreciative audience of all.

Santa Ana Community Players, sponsors of the annual dramatic event, today were congratulating themselves and the entrants upon the success being attained and the splendid quality of the talent that is being discovered and developed in the Southland.

Those who have watched the annual events were unanimous in declaring this to be the most entertaining work yet done by entrants and were agreed that not only were the plays selected of an unusually clever and interesting nature, but that the work of those taking part had advanced in smoothness and precision until it approached the professional in finesse and poise.

Hollywood Opens Program

Hollywood Players, whose clever work of last year will be remembered, opened last night's bill with an amusing comedy, "The 100 Per Cent Wife," by Gladys A. Wood. Louise Avery Hastings directing, "Mazie," the very modern and slangy little telephone operator in the hotel lobby, was portrayed cleverly by Fatsie Lawler, while the part of the philianderer "Harry Arnold" was taken by Kenn McGreggor. The latter's weeping wife was played by Dorothy Gould.

Comedy seemed to predominate, for A. A. Milne's "The Camberly Triangle" was chosen by Riverside, with Janet Scott directing, while Sierra Madre gave Lady Gregory's "The Workhouse Ward" and it was not until the closing number that Beverly Hills departed from the prevailing rule and gave Harry Kemp's dramatic "Boccaccio's Untold Tale," directed by F. W. Meyer Jr.

Miss Scott, who is director of all Riverside Community Players' offerings, took the part of "Mrs. Camberly" in the Milne one-act, with Leon S. Hesterman as "Cyril Norwood," the lover; James Coleman Scott as "Dennis Camberly,"

the husband, whose voice was one of the most remarkable ones in the series of plays, and Esther E. Brown as the maid. It was especially interesting to theatergoers here to see the pleasing work of Miss Scott, who is a frequent visitor here, and Leon Hesterman, who, as secretary of Newport Harbor Yacht club, is quite well known in the community.

Unusual Offering

An unusually clever offering by the Sierra Madre players showed a ward of an Irish poorhouse, with the two cantankerous old Irishmen played wonderfully well by Dave Buchan and James N. Hawks and with Mrs. James N. Hawks as "Mrs. Donohoe." The simplicity of this setting had sharp contrast in the final number by a Florentine home was suggested. The variety of effects gained by the use of extremely simple properties and sweeping curtains, rather than a more elaborate background, was commented upon by everyone and appreciation was expressed by Mrs. Marshall Harnois and C. C. Brisco, of the host organization, for their management.

Helen Warfield Wenger, of the Beverly Hills group, gave one of

the best performances as "Lizette," the old serving woman of "Florio," the poet, played by Thomas De Graffenreid. Grace Glasser, as "Violante," Jessie Duggan, as "Olivie," and R. F. Dupuy, as "Dionee," completed the cast, giving the poignant little play with skill and dramatic intensity.

Tonight's program, beginning at 8:15, after one of Alan A. Revill's brief programs of organ music, will feature the Escondido Community Players, directed by Dr. B. F. Sherman; Anaheim Ebell Players, directed by Agnes Messersmith, and Glendale Tuesday Players, directed by Mrs. R. E. Chase. Special interest attaches to the Escondido offering of "The Cockle-shells," for it is an original play by Dr. Sherman, who, in addition to writing and directing it, will take the role of "Rene."

Anaheim Players are to give Eugene Piliot's "My Lady Dreams," and Glendale will close the evening and tournament with "Men Folk," by Florence Ryerson and Colen Clements.

INFANT BURNED IN TUB OF HOT WATER

Genevieve Silva, 3, daughter of Mr. and Mrs. Manny Silva, of 1706 South Van Ness street, suffered second degree burns on her right arm and body, late Thursday, when she fell into a tub of hot water in her home. According to Dr. D. A. Harwood, who treated the little girl, her face was not burned. The child is expected to recover.

BEHYMER MAY PARTICIPATE IN MUSIC EVENT

Reports and programs were handed to the secretary, Miss Ruth Andrews, by members of the Music week committee who met at luncheon, yesterday, in Ketter's cafe. Further plans for the programs to be presented here during National Music week were discussed. Elaborate arrangements for the concert program, to be staged here Sunday, May 5, are being made by the acting committee, Harry Hanson, chairman, presiding during yesterday's business session.

D. C. Clanton, director of the Santa Ana Symphony orchestra, assumed all responsibility of obtaining and reporting on the Music week speakers and song leaders. He expects to have final plans to present at the next committee meeting.

It was decided yesterday to invite L. E. Behymer, noted impresario, to act as master of ceremonies at the grand opening program, on May 5. No definite negotiations have been completed with regard to procuring Mrs. Lealand Atherton Irish for one night during Music week, as was suggested at a previous meeting. Lyle Forman, of the Gilbert-Forman Motion Picture studios in this city, requested at the luncheon that all artists who are to appear in various publicity scenes meet today at the conservatory of music.

MRS. PRESSLER LOW

LOS ANGELES, April 27.—Mrs. Harry Pressler, noted Southern California golfer, scored a second \$5 yesterday to take low gross honors in the San Gabriel invitational tournament with a total of 170.

What Is A Fair Dental Fee?

If the public had made a close study of dental literature for the past few years, the conclusion might have been reached that the profession stands for getting as much money for as little work as possible. THE BIG IDEA with too many dentists is: HOW CAN WE RAISE OUR PRICES SO WE CAN SPEND MORE TIME ON THE GOLF LINKS.

AMERICAN ARTIST ON KENT PROGRAM

"Every song I sing, while I sing it, is the most important thing in the world to me!"

This is regarded by those who have heard him as the most striking explanation of the success in Europe, as well as America, of John Charles Thomas, baritone, who is to be the artist of the Atwater Kent Radio hour from 6:15 to 7:15 tomorrow night on the NBC chain, including KFI.

Born in Myerdale, Pa., educated here and there as his father's assignments in the Methodist ministry carried the family about the country, trained musically at the Peabody institute, in Baltimore, where he won a scholarship while pursuing a medical course at John Hopkins, Thomas is distinctly an American musical product. His preliminary schooling in the art of interpreting song was in light opera and musical comedy—in the hard academy of stock opera. His first great successes were in "Maytime" and "Blossom Time."

The exports of grain from five Pacific coast seaports—Seattle, Tacoma, Astoria, Portland and Vancouver—during 1928 totaled 192,000,000 bushels.

'LONDON SYMPHONY' ON G. E. PROGRAM

Walter Damrosch will conduct the National orchestra in the first movement of Vaughan Williams' "A London Symphony" as the coast-to-coast broadcast of the General Electric hour through NBC system stations, including KFI, begins at 8 o'clock tonight, Pacific standard time.

"A London Symphony" was produced for the first time in London, in 1914, after which the composer withdrew it for revision. It was produced again in 1920. The descriptive first movement opens at daybreak by the calm and silent Thames river. Suddenly, where the shifts to the Strand, where the turmoil of early morning London life is heard in the music. A quieter episode, followed by the bustle of the Strand once more, concludes the movement.

RADIATING with the Radio Editor

Know what we consider one of the finest programs Presented to the Radio public by our Santa Ana Station, KWTC?—It's the "Dreamland Hour," Conducted from 6:30 To 7:30 every Saturday night by the "Dreamland Lady," And it presents The cream of Artistic talent among The youngsters of Santa Ana—The "Dreamland Lady," Needless to say To those who have Heard her program, Is happy in making The children happy and The kiddies are Happy in her Presence, doing their Utmost to send the Joyful atmosphere of The studio into Their listeners' homes Along with Their program—Tonight another group Of kiddies will Go on the Air at 6:30 and the Program will include: "Rigoletto," by Piano quartet; "Toreador Song" from "Carmen," played by Stella and Geraldine Corona, of Fullerton; "The Two Larks," piano Solo, by Miss Barbara Steen, Of Brea, and a Violin solo, "Clementi Sonatina," by Miss Barbara Steen—

DR. CADMAN WILL BE HEARD IN WEST

Dr. S. Parley Cadman, whose radio sermons are familiar to eastern audiences, will be heard regularly on the Pacific coast beginning tomorrow in broadcasts through the NBC coast-to-coast system from 12 to 1:30 p. m., Pacific standard time.

Complete religious services, in which the Cathedral Studio choral of 30 male voices, under the direction of William Armour Thayer, will participate, will be broadcast. Sidney Dorion Lowe will be at the piano.

"Is Man the Image of God?" will be the question discussed by Dr. Cadman during his sermon tomorrow. Scripture reading and prayer, as well as questions and answers, are a part of the 90-minute service.

Series Of Piano Recitals To Open On ABC Tomorrow

Two of the Pacific coast's most distinguished artists will be heard on the American Broadcasting company network, including KPLA, KMTR, in a series of six two-piano recitals beginning tomorrow night, 8:30 to 9 p. m., Pacific standard time. They are Myron Jacobson, composer and pianist, and Mme. Berthe Poncy, artist-pianist.

Both, now residents of Seattle, have brilliant European reputations. Mme. Poncy, born in Geneva, began her career under Stavenhagen, last of the great artist pupils of Liszt, and continued it in Paris with D'Indy and Solva, where she made her debut. Jacobson is Russian, a graduate of the Imperial conservatory, student with Rimsky-Korsakov and Ljadov. Jacobson, besides being a pianist of note, is a composer of lyrics of great beauty that have found their way into the repertoire of the greatest contemporary singers.

EXPECT 300 TO ATTEND RITES OF K. C. HERE

An important day in the history of Santa Ana council, Knights of Columbus, is to be celebrated tomorrow when the third degree initiation is to be exemplified here for the first time since the institution of the Santa Ana chapter, 15 years ago, in Odd Fellows hall. The ceremony is for the twenty-sixth district of California, comprising the councils of Santa Ana, Anaheim, Whittier, Ontario and Pomona, with Clyde Ashen of this city, as district deputy.

Over 300 Knights of Columbus are expected from other sections of the Southland, with approximately 65 initiates. All will join in the ceremonies, which are to begin with 8 o'clock mass and Holy Communion tomorrow morning in St. Ann's church, South Main and Broadway streets. This will be succeeded by breakfast, served in the parish hall of the church by members of St. Ann's Altar society.

Carl M. Heim, grand knight of the Santa Ana council, will welcome the visitors to this city in an address to be made at the breakfast. A special invitation has been extended both Santa Ana and visiting women to both breakfast and evening banquet. During the conferring of the degree work, visiting women will be entertained by a group of prominent Catholic women of the city, including the Misses Ann and Gretchen Lieberman, Mrs. V. A. Rossiter and Mrs. Charles A. Borchard.

Initiation ceremonies in the first degree will be held in K. C. hall, East Fourth and French streets, with the Whittier team in charge. Luncheon will be served following this degree. At 12:30 the second degree will be exemplified and it is expected that the initiates will be ready for the third and final degree at 2 p. m.

One of the outstanding features of the day will be the 6:30 banquet.

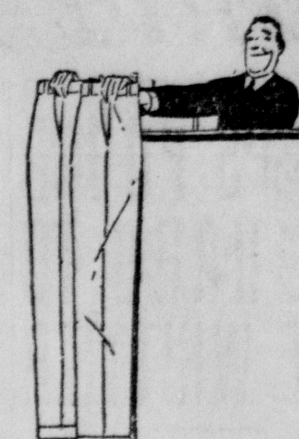

quest, to be served in Legion hall by Capistrano Institute Y. L. L. with Mrs. Clyde Ashen as chairman of the committee in charge. A special program has been planned for the evening, with Clyde Ashen, district deputy, as toastmaster. The Rev. Joseph Sullivan, president of Loyola university, Los Angeles, will give the address. Father Sullivan is recognized as an eloquent and forceful speaker and one of the prominent citizens of Los Angeles.

Several state officers are to give brief talks, as are a number of prominent Santa Ana business men. Musical features will include solos by Maurice Phillips, with Harry Garstang at the piano.

Arrangements for the day's events have been in charge of J. Ogden Markel, chairman, and a committee composed of Urban J. Engelman, Dr. V. A. Rossiter, George F. Nash, Henry Hodges and George Ravenkamp.

The highest dam in the world, now being built in India, is 280 feet high. The Boulder dam, in this country, when finished, will be 550 feet high above the ground.

AMERICAN GOLFERS LOSE CUP TO BRITISH

Santa Ana Stars Open Home Season With Victory

CHAMPS POUND BALL HARD TO BEAT WHITTIER

When night baseball comes summer can't be far away and so Santa Ana fans settled down today with more than four months of an entrancing sporting schedule spread out before them.

Night ball returned "home" here last night when the Santa Ana Stars, champions of Southern California last year, opened their season locally by defeating Whittier, 7 to 3, before a comfortable crowd in the improved Sixth and Olive street bowl, smart in its new lights, dugouts and backstops.

Sound, substantial slugging won the opener for the Santa Anans—that and some good pitching by the master of the fast ball, "Zuse" Ochoa, late of Anaheim. The Stars rapped the overgrown sphere to the tall uncult in the first three innings, getting all their runs and most of their base knocks in that short period.

"Bad Bill" Foote, the Stars' new second sacker, had the honor of scoring the season's first run. Foote doubled to left in the first inning after two were gone, and came all the way home when Denny picked up the ball and threw wildly to second base in an effort to head off the fleet high school coach.

Santa Ana almost drove Tommy Young, Whittier's mound nominee, to the showers in the second. Singles by Scott and Wilcox, a couple of passed balls, a sacrifice by Ochoa, a pass to Hill, a single by Schuchardt and an error all figured in the rally which manufactured four runs.

The other home produced tales were accounted for in the third when Foote blasted a home run to deep left and Wilcox, Ochoa and Hill singled in rapid succession all line drives over the infield.

Young settled down after this uncertain start and blanked the champions the rest of the route but his teammates were unable to make much headway against Ochoa. In fact, the former Anaheim slugger turned in a shutout had he not thrown his "home-run ball."

The three Whittier "home-run ball" runs from Ruthless drives. Johns hit one in the third and Phelan slugged another after Rasmussen drew a pass in the fourth.

The box score:

Whittier	AB	R	H	P	O	E
Davis, ss.	4	0	1	2	2	1

Summary

Home runs—Johns, Phelan, Scott, 2 base hits—Davis, Foote. Struck out by Ochoa, 2, by Young, 2. Sacrifices—Ochoa, 1. Bases on balls off Ochoa, 1, off Young, 1. Sacrifice hit—Rasmussen. Umpires—Preble and Youel.

NEWEST BEAVER

Presenting Portland's newest ball player, Carl Frey, who came from Pittsburgh to pay centerfield. Frey's left handed hitter, and is the Beaver's lead-off man. He was purchased to replace the late Denny Williams.

NEA

FRESNO SCHOOL BOY SETS NEW WORLD RECORD

FRESNO, Calif., April 27.—Fresno high school's lank 18-year-old Walter Marty broke the world's interscholastic high jump record of 27 years standing here yesterday in the first day of the West Coast relays.

Marty topped the bar at 6 feet 4 1/4 inches to beat W. M. Oler's 1912 record of 6 feet 3 5/8 inches made in Cambridge, Mass. He slid over the bar on his first attempt at the record-breaking point, but failed three times at 6 feet, 5 inches.

Marty had to break the record to bring his school into a tie for the meet with Tulare's thinly clad athletes. The two teams each garnered 23 points, best scores made by the 23 participating high schools. Porterville high made third place with 15 points and Woodland fourth with 11.

Marty's record was but the first of six other mark-breaking accomplishments of the high schoolers.

As sensational as Marty's performance was that of Carol Maas, Fresno high school sprinter, who tied the fleet Frank Wilcox's high school record of 9.5 for the century.

Woodland's Stephens tossed out the discus 140 feet to shatter all but "Bud" Houser's famous record of 145 feet, 6 inches.

Benham, Hanford hurdler, set a new San Joaquin valley interscholastic record of 15 3/5 seconds for the high hurdles to displace the 15-year-old 16.2 mark of Hanson of Bakersfield.

Visalia's medley relay team of 8:37.4 beat the Bakersfield 1923 mark by 3.4 seconds.

Porterville clipped 1.9 seconds off the old 880-yard time by crossing the tape in 1:32.4 Mas of Fresno came in third as last man for his team in that event, and he was two yards behind the leader. Porterville won from Tulare by the fuzzi on his shirt-front.

Talbot of Tulare added six and a half inches to the meet pole vault mark when he beat his own record by climbing the bamboo 11 feet 10 1/2 inches.

DISCARD SLUGS GIANTS OUT OF NATIONAL LEAD

BY GEORGE KIRKSEY (United Press Staff Correspondent)

NEW YORK, April 27.—One of the smartest men in baseball, John J. McGraw perhaps has made more costly mistakes in trading ball players than any other successful manager.

One of his discards—George Harper—knocked the Giants out of first place in the National league yesterday by hitting a home run with two men on base and leading the Boston Braves to a 4 to 2 triumph over McGraw's team.

McGraw traded Harper to the Cardinals last May for Bob O'Farrell who has never been of much value to the Giants, but Harper has been poison to the Giants ever since. It was Harper who hit three home runs in a crucial battle at the Polo Grounds in the heat of the pennant race last September and enabled the Cardinals to win a vital victory from the Giants. Sent on to the Braves by the Cards during the winter, Harper still retains his jinx over the Giants.

McGraw's most recent outcast—Frank (Lefty) O'Doul—is pounding the cover off the ball for the Phillies, while Leach—the player for whom he was traded—is riding the Giants' bench.

Harper and O'Doul are among the five leading hitters in the National league, Harper batting .476 and O'Doul, .464.

McGraw's greatest mistake perhaps was made on "Black" Wilson, who was with the Giants in 1924. McGraw knew Wilson was a great ball player but sent him to Toledo for more seasoning and forgot to recall him. The Cubs grabbed Wilson before the Giants discovered their mistake and another star drifted away from the Polo Grounds.

One of McGraw's recent blunders was the trade which sent Burleigh Grimes to the Pirates in exchange for Vile Aldridge. Grimes won 25 games and lost 14 last season, while Aldridge, who was a holdout and reported out of condition, won 4 and lost 7. If McGraw had kept Grimes the Giants would have won the pennant last year in a walk.

Winning only two matches, the Santa Ana high school tennis team, led 13 to 4, yesterday to South Pasadena on the Tiger courts.

H. C. Rutledge won the only singles match, when he defeated Lord, fourth singles 3-6, 7-5, 11-9. Herren and Lindley accounted for the other points when they downed Heeren and Van Landingham, 6-1, 8-10, 6-3.

The other results were as follows: First doubles, McDavitt (SP) beat Staback, 6-0, 6-2; Wehrich (SP) beat Gundrum, 7-5, 6-4; Palamiter (SP) defeated Carrothers, 6-3, 6-3 and Fogz and Olsen (SP) beat Oglesby and Dolman, 6-4, 6-3.

Pyle Runners On Lap Of 32 Miles

ROLLA, Mo., April 27.—Pursuing a pot of gold, the Pyle transcontinental foot-runners left here at 8 a. m. today for Waynesville, 32 miles west, with Peter Gavuzzi, Southampton, Eng., holding an elapsed time lead of 2:17:25 over the pack.

Paul Simpson of Burlington, N. C., fifth in elapsed time, won yesterday's 45 mile lap from Sullivan, however, in 6:03:10, with Glusto Umek, Italy, second, in 6:42:45 and Gavuzzi, John Salo, Passaic, N. J., Ed Gardner, Seattle, and Sam Richmond, New York, tied for third in 6:59:40.

SPORTS through Edgren's EYES

By Robert Edgren

Retired Heavyweight Champion Gene Tunney wears 10 1/2 size shoes, the largest worn by any holder of the heavyweight title except Jess Willard and Jack Johnson.

Bob Fitzsimmons wore size 6 1/2 shoes. One day Bob came into my office, sat down and looked on while I worked on a drawing. Suddenly Bob said: "I don't see why you always draw freckles all over me. I haven't any freckles." Bob had pulled up his coat sleeve and his cuffs. Without answering I looked at Bob's wrists, which were covered with light brown spots about the size of ten-cent pieces. Bob looked down, grinned, and shot his cuffs into place to cover the wrists.

"Well," he said, "anyway, I haven't any on my legs and you always put freckles on my legs."

I went on working. Bob was quiet for a while, thinking of something else to put over.

"Another thing," piped up Bob in his high tenor voice, "why do you always draw me with big feet?"

"Well, you have big feet, haven't you?" I asked.

Bob grinned. "Got you there," he said. "I have the smallest feet any 'heavyweight champion' ever had. Look 'ere."

Stooping over, Bob unlaced a shoe, pulled it off, and held it up to display the stamped marking inside. "Size 6 1/2."

"And that's right," said Bob. "I can wear a six if I want to, but they aren't good to run in."

You can't tell much about a fighter by measurements. Yank Keeney, a heavyweight who used to train Fitzsimmons, was bigger and broader than Jeffries, wore an 18-inch collar, and weighed about 230 pounds. Visitors to Fitz's camp used to gasp when Yank appeared and put on the boxing gloves, and lanky Fitz squared off against him. But when the boxing began Fitz had to use body punches. Yank had a glass jaw and a tap would make him too dizzy to be useful. The glass jaw was all that kept Yank from being up among the challengers.

Tom O'Rourke once found a heavyweight who measured 60 inches around the chest and weighed 260 pounds, and thought he had a champion. But the big bird couldn't untrack himself. He was a wonder at taking punches, but that was all he could do—take 'em. Name, Joe Rogers.

After O'Rourke gave up trying to make him a challenger, Joe took up wrestling and became rather good at it. Anyway the other wrestlers thought he was good. Rogers used to complain, mournfully, that the "Trust" wouldn't let him work unless he agreed to "wrestle to orders" in every match.

much excitement that the drama becomes news.

"Fortunately, for the good name of the American association ball players generally, most of the hurrah this spring was confined to the major league entertainers and the untoward occurrence among the A. A. clubs was the experience of Virgil Barnes with the Brewers.

"This capable pitcher started playing at Hot Springs, made the welkin ring on sleepers, and finally wound up in Knoxville with a gigantic party and a black eye.

TWO GOOD JOBS GONE

"Though in a bad way for whirlers, Manager Jack Leivelt figured he might as well have a show down in the spring as after the season opens so he sent Barnes back to the Boston Braves.

Two other four-round matches will complete the card.

PLAN 32-ROUND SHOW AT O. C. A. C. MAY 7

Kid Mexico, matchmaker for the Orange County Athletic club, today announced tentative plans for a 32-round show here May 7.

Mexico said he had signed Wally Frazier, undefeated light heavyweight, with Kid Williams or the winner of the Young Franklin-Johnny Sovia match for an eight-round main event.

Jesse Ayala has been offered a return match with Genayado Chavez for the semi-windup. Jackie Stewart and Bobby Bridges are lined up for another 8-round bout.

Two other four-round matches will complete the card.

GILL GETS BIG CAREER CHANCE AGAINST BLAKE

Honest, conscientious HI Gill, steady rather than spectacular Santa Ana welterweight, will get the biggest chance of his fistic career here next Tuesday night when he climbs through the Orange County Athletic club ropes to meet Billy Blake in a 10-round main event.

Gill is not a great fighter but he is a consistent one and he is the type, rare in the cauliflower business, that feels the public is entitled to an honest performance. None of his bouts here has been tainted with suspicion.

He works hard on the road. He trains faithfully in the gymnasium. He always gives the best he has in the ring. What more can be asked?

In Blake, the Santa Anan is meeting up with a flashier, more scientific boxer. Blake has "taken" a lot of better fighters than Gill is or perhaps ever will be. But HI thinks he can win this one and he can't be ruled off for trying.

Blake has defeated Harry (Blubber) Johnson, Sammy Jackson and Joe Arcenago in his last three starts. Johnson, Jackson and Arcenago rate as good fighting men. But Gill does not believe he will be Victim No. 4.

He is going about his business in his own way and he is willing to let the public decide his future.

Young Franklin, a former University of California student who has licked such as Hal Cox, "Bad News" Johnson and Jack Lee, will meet Johnny Sovia in six-round semi-windup. Sovia stopped Harry Lee, the former Huntington Beach lifeguard-boxer, at San Diego last week.

AFTER RECORD

The record books show that Roland Locke, the Nebraska sprinter, established a world record for 220 yards in 1926 with a 20.6 second performance. If George Simpson, Ohio State star, knows where-of he talks, that record is due to go by the board this season. Simpson, who runs wit ha long stride, has come close to Locke's mark several times and feels sure that this is the year to establish a new record. He also runs the 100 for Ohio State.

Stunning defeat was inflicted on the confident American forces in the singles matches, the British professionals coming from behind to capture the trophy, 7 points to 5.

The rout of the United States players was practically complete. Walter Hagen, Johnny Farrell, Gene Sarazen, Joe Turnesa and Al Watrous going down to unexpected defeat, while only Leo Diegel and young Horton Smith, the Joplin, Mo., pro, who was left off the team the first day, succeeded in winning their matches. Al Espinosa earned a half in his match to prevent the sudden collapse of the American team from going further.

The uprising of the British against American supremacy was startling as it was welcome throughout Great Britain. The Ryder cup, gift of Samuel Ryder for international professional team match play, is a British trophy, and now it is home again.

The cup was first contested for officially at Worcester in 1927, when the Americans won. Previously, at Wentworth, the British had won an unofficial team match.

Individual matches today:

Charles Whitcombe, England, defeated Johnny Farrell, United States, 8 up and 6 to play.

Leo Diegel, United States, defeated Al Mitchell, England, 9 up and 3 to play.

George Duncan, England, defeated Walter Hagen, United States, 10 up and 8 to play.

ROSENBLUM IN LINE FOR BOUT WITH LOUGHRAN

By BERT DEMBY
(United Press Staff Correspondent)
CHICAGO, April 27.—Successful in their initial bouts in Chicago, Honey Boy Finnegan, Boston junior lightweight, and Maxie Rosenbloom, New York light heavyweight, looked forward today to appearing on some of the major Chicago boxing bills which Promoter Paddy Harmon, of the Chicago stadium, has planned for this summer.

Finnegan won his way into the hearts of Chicago fight fans by easily defeating Eddie Anderson, local favorite, in a 10-round bout. Rosenbloom stepped to the front in the middle west by defeating Charley Berlinger, Canada, in 10 rounds.

Finnegan won all the way, and put up one of the greatest exhibitions of boxing ever seen here. He used a straight left hand to keep Anderson away from him

and a right cross as his damaging punch.

Rosenbloom met a tough opponent in Belanger but his boxing ability won him the verdict. Rosenbloom's victory put him in line, according to Harmon for a match with either "Tuffy" Griffith or Tommy Loughran, light heavyweight champion in the near future. Griffith, like Rosenbloom, is a leading challenger for Loughran's crown.

Tustin Blanks Brea; 3 Teams Still Unbeaten

(Continued from Page 6)

Olinde, 6 to 9, at Brea. Cooper, star Tustin moundsman, was too good for the Oilers who were able to garner but three singles.

Play will be resumed next Tuesday with Tustin going to Huntington Beach to engage the untamed Seaside, Orange playing at Excelsior, Garden Grove at Anaheim and Downey at Fullerton. Brea-Olinde will be idle.

The Tustin-Brea-Olinde score:

Tustin	Brea	Olinde
Therly, c. 3 1 0	Stives, 2b. 3 0 1	Johnson, 2b. 3 1 0
Johnson, 2b. 3 1 0	Ryan, rf. 4 0 0	Wise, lf. 4 0 1
Crafts, ss. 0 0 0	Whistler, cf. 1 0 0	Johnson, 2b. 4 0 0
Cook, lb. 3 2 1	Leibetter, c. 3 0 0	Seacord, rf. 2 0 0
Watkins, 3b. 4 0 0	Pratt, lf. 4 1 0	Sachs, lb. 3 0 0
Cooper, p. 4 0 2	Rankin, cf. 3 0 0	Holmes, lb. 0 0 0
Smith, rf. 1 0 0		

Totals	34 6 8	Totals	32 0 3

Tustin	000 212 100-6		
Brea-Olinde	000 000 000-0		

WEST POINT CADET SETS DISCUS MARK

DES MOINES, Iowa, April 26.—With one world's record already established, 2000 crack athletes competing in the annual Drake relays began their second and final day's performance before more than 500 spectators today.

Unheralded, Cadet Capt. Carl Jark of the United States military academy, returned yesterday to his native state, and hurled a discus which was 8-4 on an ounce heavier than regulation, 153 feet 3 inches. That was one and one-fourth of an inch further than the record established three years ago by "Bud" Houser, former University of Southern California star.

Canzoneri Beats Sammy Dorfman

NEW YORK, April 27.—Tony Canzoneri, former featherweight champion, easily defeated Sammy Dorfman of New York in a 10-round bout in Madison Square Garden last night. Canzoneri won every round and had Dorfman on the floor twice in the first round, once for a count of nine and once for a count of six, the bell ending the round at that point. Canzoneri weighed 130, Dorfman 129 1-4.

LAUGHS From the DIAMOND By Billy Evans

This Speaker, famous center fielder of other days, never passed up an opportunity to air his grievance when he believed the umpire pulled one. Yet he had a way of doing it that gained the umpire's consideration rather than his enmity. As a result, Speaker was seldom chased from a game despite his many arguments.

Speaker will tell you that Dick Nallin of the American league was one umpire who generally stopped him, simply because Nallin wouldn't take his protests seriously. He always had some way to sidetrack the protest, no matter how strongly Speaker believed he had a kick coming.

I recall a happening of a few years ago in Boston. At the first inning, Speaker was either so mad or so amused that he couldn't do a thing other than throw his arms in the air in disgust and walk away.

Coveleskie started the game for Cleveland and was relieved in the first inning by some youngster, who managed to retire the side runless, even though the first three men to face Coveleskie reached first safely. Willness got the rookie into trouble in the second inning. He walked three and fanned two. With the bases filled and three balls and two strikes on the batter, he threw a low curve that Umpire Nallin ruled a

HAFEY SUCCESS SETS BASEBALL BOYS THINKING

BY DAVIS J. WALSH
(I.N.S. Sports Editor)

NEW YORK, April 27.—Stake a ball player to a slovenly season three or four years ago and forthwith he wasn't satisfied until he had somebody in a butcher's apron fly-casting for his tonsils.

Today, the enlightened thinkers of the ball field seem to be headed toward the oculist's, for the be-spectacled "Chick" Hafey has interested the impulsive young men most strangely with his home runs since the start of the season. And if you don't think so, all you have to do is to tune in on the New York Giants. They estimate that upward of 30 per cent of the profession is in need of ocular attention and no less a personage than John McGraw says that most of the batting failures are prompted by defective vision.

A little more of this kind of thing and they'll have three men in every nine gazing pensively on the national pastime through a set of bi-focals, the social standing of the umpire being elevated accordingly. Pull well do I remember the time when he was the only blind man on the ball field.

The young man, according to the Giants, said in the South that he never realized how big a baseball was until he had his brow measured for the show windows. He told Bob O'Farrell that his bat felt like a lead pencil in his hands and, for the first four days of the opening series with the Cincinnati Red, he more than looked the part. He drove in four runs in the first game, scored another on a home run and blew himself to a single. Lucas was the victim of that rampage. Three days later, he hit two more home runs off Kolp, Kemmer and Zahner and one of them topped the centerfield wall at Redland field for the first time in history.

That wallop, measuring 417 feet, started all of the dugouts prattling idly about the phenomena and they haven't stopped yet, in spite

HERD, STRATFORD IN TENNIS FINALS

OJAI, April 27.—Clifton Herd, Los Angeles, and Gerald Stratford, San Francisco, will meet here today in the finals of the men's singles in the annual Ojai All-California tennis championship.

Herd won his way through the semi-finals yesterday by defeating Jack De Lara, Southern California ace, while Stratford eliminated Sydney Wood.

"Midge" Gladman will meet either Marion Williams or Mrs. R. Bartosh in the finals in the women's singles.

Les Kennedy Wins From Ernie Owens

HOLLYWOOD, April 27.—After a slow start Les Kennedy, Long Beach, came from behind to win easily over Ernie Owens in 10 rounds at the American Legion stadium last night.

The bout lacked sensations with Kennedy grabbing all rounds after the fourth.

Carmen Tuzzolino and Herman Bundren fought six rounds to a draw in the semi-final.

A nautical mile is 6,080 feet, or 800 feet more than a land mile.

The most talked of place
in the West, where climate,
scenery and hospitality are
best....all the year round!

SWIM AT LAKE NORCONIAN CLUB...
the Southland's Recreation Rendezvous for young and old. Marvelous outdoor swimming and diving pools...heated to 80 degrees...violet ray purified...vacuum cleaned plunges. A wholesome swim gives you health & vim! Underwater illuminations for night bathing. Three diving platforms. Fountain for light lunches. Swimming charges: fifty cents, including suit and towel.

BEAUTIFUL LAKE NORCONIAN...where aquatic sports reign all the year! Fast motor boats that churn the lake waters into a smother of spray. An exciting experience! Motor boats: 50 cents the person or \$6 per hour to parties. All metal row boats 50 cents per hour for 2 persons and 10 cents for each additional. Surfboarding! Aquaplaning! Visit the Lake Casino where college young people dance Friday evenings at \$1 per couple.

The PEAK OF TIRE QUALITY

The NEW

Firestone Supreme Balloon

FOR ALL those who demand quality first, regardless of price — for those who value distinction, yet buy with discrimination — for those who appreciate beauty yet demand performance, we strongly recommend the new FIRESTONE SUPREME Balloon, without question the greatest tire engineering achievement of all time. The new Supreme Balloon is a combination of all the basic principles that have made it possible for Firestone Gum-Dipped Tires

to hold all world records for speed, safety, endurance and mileage. In addition, the new Supreme Balloon has a thicker, more sturdy carcass — a tougher and more rugged tread and greater air volume — the tire for those who seek quality first and who believe that the best is always the most economical. You will never be satisfied with tire equipment until you let us show you the greatest tire value that motorists have ever seen. Liberal allowance made for your old tires.

McCall Pattern 5616 5622

We have been preparing for weeks to give our customers an outstanding event such as we have never before presented in Santa Ana. With thousands of yards of silks, rayons, woolens and cotton fabrics, a full stock of notions, trimmings ready for your selection you are sure to be pleased with your visit to our store this coming week. Our Salesladies will be attired in frocks fashioned from our different quality cotton prints. If you become interested in Rondo prints, or any other quality, ask to see the model so that you may see and make any inquiry you may desire.

You can have frocks of "Custom Made" smartness—at but a fraction of the cost, if you make them yourself.

McCall Pattern 5604

Black and white shows a very chic combination in this bib and tucker frock. The total yardage is only 3 3-8 yards and cost only \$1.98 per yard. A most inexpensive dress at

\$6.69

Blouses and skirts are very smart. This blouse requires 2 1-8 yards of flat crepe at \$2.49 per yard and the skirt of satin 1 7-8 yards.

\$9.96

McCall Pattern 5604 and 5603 and 4916

A smart ensemble for town wear and so very inexpensive. The coat requires 3 1-8 yards of French flannel at \$1.98 per yard. The lining 2 3-8 yards and the dress of printed or plain crepe, 3 7-8 yards at \$1.49 a yard. The total ensemble.

Lincoln Once Said

"Teach economy. That is one of the first and highest virtues. It begins with saving money."

The J. C. Penney Company has built up a large business by saving money for its customers. We buy in carload lots—by the thousand—and these economies are the secret of our Low Prices.

Save! Save! Save! It is the watchword of our business.
